

As you know, the Greater Marinette-Menominee YMCA is currently closed due to COVID-19 until further notice. We plan to restore full operations as soon as it is safe to do so. Throughout the coming weeks we will continue to provide updates and important information to you as it becomes available through email notifications and our webpage, www.mmymca.org.

When we first closed on March 16th we had full intentions of seeing you all again on March 31st. As each day passes, we miss you more and more and cannot wait to welcome back!

We want to thank you for your support and we are grateful for your patience as we work to address your questions and concerns.

Membership Continuation & Credit Information

We ask that you stay with us during this difficult time and keep your membership active through our monthly bank draft program. This revenue will allow us to “do good” during this time of uncertainty. We understand that you may also be experiencing a hardship at this time. If that is the case, please let us know to put your membership on hold.

Supporting the Y through your membership has done this already:

- Run a program in collaboration with New Life Church to provide childcare for those in our community who are still working and providing us with basic needs; our Public Safety, Sanitation, Senior Care living and those who are working the front line efforts to contain the COVID – 19 virus.
- Work/volunteer at our local grocery store, Jack’s Fresh Market, to provide shopping/delivery to our elderly, help keep the shelves in the store stocked and keeping bakery bread on the shelf.
- Ensure that we have sufficient funding to make certain we can honor our promise to serve all without regard to financial ability once programming resumes.
- Support our staff with creative work options while normal operations are suspended, for example touching base with our senior members.
- Maintaining and cleaning our buildings in preparation of reopening.

As we share additional news and updates with you, you will continue to see that your Y is committed to being there for those who need us the most and we ask you again to join us in this effort. We invite you to continue to invest in your membership so that we can maintain vital life-changing and live-saving programs in our community.

Can I place my membership on “Hold”?

Please be aware we can place your membership on “Hold” at no charge. Call the Y at: 906.863.9983 to confirm a “Hold” on your membership. Please call between 8 AM and 5 PM weekdays.
